Subject: Important Message for University Community

During the afternoon hours of Tuesday, Nov. 25, FAU Police received a report of an unconscious non-student visitor inside the University Village Apartments. Emergency Medical Personnel were immediately contacted. Upon initial investigation, they determined that the individual was deceased. At this time, FAU Police are categorizing this incident as an unattended death and there are no obvious signs of foul play.

The loss of an individual life is a tragedy, and the University family extends its condolences to the family, friends and loved ones of this individual. If anyone in the University finds themselves in need of counseling services, they should contact the University Counseling Center at 561-297-3540. After hours, please call 561-755-2245 for assistance.
